SMEI Honolulu welcomes Bill Jarvis,
 President and CEO of Mobi PCS

“SMALL IS THE NEW BIG”

Hear Mobi PCS' story of how a Hawaii start-up cellular company successfully competes against national operators. Learn how local companies can compete against the ongoing influx of larger mainland-based entities.

BILL JARVIS,
 President and CEO of Mobi PCS

Bill Jarvis is President and CEO of Mobi PCS, the lowest-priced unlimited-use cellular service provider in Hawaii with network coverage on Oahu, the Big Island, Maui, Kauai, and Molokai. Prior to Mobi, Mr. Jarvis was the CEO of GoBeam, the largest VoIP service provider for small to medium businesses. He successfully sold GoBeam to Covad Communications in 2004. Preceding GoBeam, Mr. Jarvis was the Regional President of Nextel Communications (Western US) responsible for nearly \$2 billion in annual revenue.
